Section VI. Complementary information

VI.3) Additional information

This contract has been awarded using Direct Award Process A under the Provider Selection Regime (PSR), in accordance with Regulation 7.

The decision to award directly is based on the following criteria being met:

The service is currently being delivered by the same provider.

There is no realistic alternative provider capable of delivering the service to the required standard.

The service is not part of a framework agreement.

The provider has demonstrated consistent delivery of high-quality care and continuity is

essential to maintain patient safety and service outcomes.

This notice is published for transparency purposes only and does not constitute a call for competition. Estimated contract value is based on three year duration.

The award decision makers include procurement and the regulatory and accreditation manager from the clinical haematology, immunology and oncology department. The contract for these services shall be in place for a minimum of three years.

No declared conflicts or potential conflicts of interests were raised and key decision makers confirmed this by signature.
