One (1) tender exercise will be run with three (3) lots to award independent Contracts for each area as detailed in Table A. Bids will be accepted for multiple, individual, or partial lots. Preference will be given to bids for complete lots, where partial bids are received, they will be awarded by Health Board on a ranked basis with the highest bidder being awarded the maximum figure requested in their technical capability response, the second placed bidder will be awarded either the remainder or up to the maximum figure indicated, any further volumes will be awarded based on the same scale.

The PDS regulations detail mandatory services and additional services. The clinical services to be provided are those deemed as mandatory services and as a minimum, the provider must meet the requirements of the NHS (Personal Dental Services Agreements) (Wales) Regulations 2006 in all aspects relating to the provision of mandatory services.
