## Description

This Prior Information Notice (PIN) is separate to any tender opportunity and its purpose is to consult the market to improve NHSBT's and the wider NHS's knowledge of organisations within the marketplace that can offer the required service and to gauge market interest ahead of any further tender opportunity.

NHSBT require medical devices as follows

- Lot 1: The provision and maintenance of a cord blood cell separation system and associated consumables
- Lot 2: The provision and maintenance of system(s) and associated consumables designed to wash, re-suspend haematopoietic cell suspensions
- Lot 3: The provision and maintenance of system(s) and associated consumables designed to volume reduce bone marrow (
