VI.3) Additional information

"The purpose of this notice is to draw attention to a procurement that NHS Supply Chain intends to commence during the next 12 months. This PIN combines and replaces two previously published PIN's: Audiological Equipment Services and Related Consumables 2024 (Reference:2022/S 000-026498 dated:22 September 2022) and Audiological Implantable Devices Accessories Consumables Maintenance and Repair 2024 (Reference:2022/S 000-022158 dated:11 August 2022).

The invitation to tender will be the subject of a separate notice.

It is intended that the following certification will be a requirement of the tender and Applicants may be required to include evidence of this:

- ISO9001:2015 accredited by UKAS (or equivalent) to cover all segments of the products supply chain.
- Public Liability Insurance cover of £5m per claim
- Product Liability Insurance cover of £5m per claim or £5m per claim and in the annual aggregate
- Employers Liability Insurance cover of £5m per claim
- Declaration of Conformity and CE Certification to demonstrate compliance to Medical Devices Directive 93/42/EEC or Medical Device Regulation 2017/745 (where applicable)

The Framework Agreement will be between NHS Supply Chain and the Supplier under which will be two different methods of supply; one for Non-Direct Contract Products and one for Direct Contract Products.

For Non-Direct Contract Products NHS Supply Chain will make available for purchase the

supplies and/or services by 1) any NHS Trust; 2) any other NHS entity; 3) any government department, agency or other statutory body and/or 4) any private sector entity active in the UK healthcare sector. For the Direct Contract Products these entities will be able to enter into a direct contract with the Supplier for any of the supplies and/or services under the Framework. Full details will be available in the tender.

Candidates wishing to register their expression of interest can do so on Jaggaer via the following URL: <https://nhssupplychain.app.jaggaer.com/>.

The NHS has adopted PPN 06/20 (taking account of Social Value in the award of Government Contracts) 2022, and therefore this future tender will include some qualitative evaluation questions on Social Value with a min. weighting of 10% towards the award. For more information on Social Value, please see:

<https://www.gov.uk/government/publications/procurement-policy-note-0620-takingaccount-ofsocialvaluein-the-award-of-central-government-contracts>. In addition, from April 2023: the NHS will adopt the Government's 'Taking Account of Carbon Reduction Plans' (PPN 06/21) requiring all suppliers with new contracts for goods, services, and/or works with an anticipated contract value above £5 million per annum, to publish a carbon reduction plan for their direct emissions. From April 2024, the NHS will expand this requirement for all new contracts, irrespective of value.

NHS Supply Chain is currently considering the use of lots for this procurement. However, it reserves the right not to as part of any future tender. Full details of the lot strategy will be set out in the notice for the tender.
