Engagement process description

Lincolnshire County Council Supported Accommodation 2027

Lincolnshire County Council Children's Services are undertaking a Service Review into Supported Accommodation (DN778728) and are seeking to engage with the market, related and involved professionals, stakeholders, and children and young people aged 16-21 who are currently accommodated by the Local Authority.

Children's Commissioning have engaged with professionals (social workers, Leaving Care Workers, Virtual School, Early Help etc) to seek their views on Supported Accommodation and the needs of the cohort, and have also undertaken some engagement with young people.

Further engagement will be undertaken with young people via a targeted survey on www.LetsTalk.Lincolnshire.gov.uk which will run from July to the end of August 2025; this survey will be promoted to 16-21 year olds accommodated by the Council and will include Children in Care (CiC) including Unaccompanied Asylum Seeking Children (UASC), young people accommodated due to homelessness, and care leavers (including former-UASC care leavers).

The Council also wish to engage with providers of accommodation and support services who have a presence in Lincolnshire, or who would be interested in delivering and developing future services in county, to present the current picture in Lincolnshire for 16-21 year old Supported Accommodation, the timelines for recommendations and decision making, and start date for any contracts to be procured.

Providers interested in offering supported accommodation for the 16-21 year old age group are invited to join the Service area (Leaving Care and Supported Living) and Children's Commissioning at a Teams event on Wednesday 9th July at 1pm where there will be a short presentation and an opportunity to ask questions of the panel.

Providers can join the Teams event via:

Meeting ID: 377 088 729 118 7

Passcode: An7M9ZN6

Interested providers are also able to request one-to-one discussion sessions via Teams:

- > Friday 11th July – 9.30am, 11am, 12.30pm, 2pm, 3.30pm
- > Monday 14th July – 9.30am, 11am, 12.30pm, 2pm, 3.30pm

> Tuesday 15th July – 9.30am, 11am, 12.30pm, 2pm, 3.30pm

The discussion will allow interested providers the opportunity to digest the information presented at the Teams event, ask further questions, outline how they feel needs can be best met, and how they might contribute to Supported Accommodation services in Lincolnshire.

Sessions are planned to last no more than an hour and will include representatives from the Commissioning Team and the Leaving Care and Supported Living service. They are available to book on a first come, first served basis.

Any issues in joining, or providers would like the meeting invite sending to them in advance, or would like to reserve a one-to-one session, please email childrens_commissioning@lincolnshire.gov.uk

If you are unable to attend the initial event on 9th July, the slides will be uploaded on ProContract shortly after that event closes; you are still able to request a one-to-one session from the dates above.

More information regarding the project, the service review and other proposed timelines will be published on <https://procontract.due-north.com> - providers may need to register to log in; the project can be found by searching DN778728.
