Description

BlueLight Commercial Preliminary Market Engagement Event - Cyber Security Services Framework

This engagement is not part of a selection or short listing process. This stage of the process is to perform market engagement and inform the market only.

BlueLight Commercial (BLC) wish to invite relevant suppliers within the Cyber Security Services market to attend a Market Engagement session which will be held virtually via Microsoft Teams on Thursday 3rd July at 14:00hrs - 15:00hrs.

The session is open to all Cyber Security suppliers with capability to deliver Cyber Security Services to the public sector, including those who deliver IT Health Checks/Penetration Testing, Cyber Security Training, Cyber Security Incident Response and Planning, Cyber Resilience Audit and vulnerability management scanning.

During the session, BLC will present information regarding our proposed activity in relation to a Cyber Security Services Framework that will be used by UK emergency services, including police, fire and ambulance services.

The purpose of the session is to inform suppliers about the upcoming activity and invite feedback from suppliers.

If you are interested in attending this event, please register your interest with InTend (<https://sell2.in-tend.co.uk/blpd/home>) and raise a Clarification within the InTend opportunity, providing your organisation name and the name, role and e-mail address of up to two (2) attendees per organisation.

An invitation will subsequently be sent to the nominated individuals prior to the event on 3rd July.
