Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Labour Resources Cumbria

II.1.2) Main CPV code

- 50000000 - Repair and maintenance services

II.1.3) Type of contract

Services

II.1.4) Short description

This Labour Resources framework agreement is to support Northern Gas Networks (NGN) in delivering a large portfolio of operational projects & works orders. This framework will assist NGN's Operations to engage with a range of contracted suppliers who are pre-qualified to carry out associated works. The estimated total annual value of work delivered under this framework will be in the region of £450k and NGN will be looking to award a maximum of three contractors per lot, per area onto this framework.

There will be multiple call offs against this framework throughout its term to reflect the high volume of work on many assets in various locations across our network. Estimated number of annual engagements is circa 1,00 per annum. This single source is for the region of Cumbria only where the spend is estimated at circa £15k per annum

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- No tenders or no suitable tenders/requests to participate in response to a procedure with prior call for competition

Explanation:

Regulation 50 of the 2016 UCR states the following: 'Utilities may use the negotiated procedure without prior call for competition in the following case: (a) Where no tenders, no suitable tenders, no requests to participate or no suitable request to participate have been submitted in response to a procedure with a prior call for competition, provided that the initial conditions of the contract are not substantially altered.

A tender was published for a framework of suppliers in March 2021 and there was no response for the area of Cumbria for Joinery, General Building Services, Drain Repair and Carpet fitting.

Therefore a direct award is being made to Nationwide Property Solutions and SPH Property Maintenance to carry out these essential services. The value of spend is estimated at £15k per annum
