II.1.4) Short description

Dudley Town Hall is a multi-purpose civic building. One of the main functions of the building is to host entertainment events i.e., comedy, music etc. for which it has a seated capacity of 980. The hall has outdated lighting, PA System and rigging which need replacing / refurbishing for reasons of safety, modernisation and aesthetics. The old-fashioned nature of the equipment is also resulting in the hall losing shows for which it cannot provide the necessary modern levels of production. This procurement has been split into three Lots to supply and fit the following:

- o Lot 1 – Rigging
- o Lot 2 - PA system
- o Lot 3 – Lighting
