These programmes are aimed at providing off-site provision for learners of all abilities, including those who are not actively engaged in education and those who are in danger of disengaging and becoming NEET (Not in Education, Employment or Training) post-16. Demand for the programme is entirely led by schools and the Local Authority for school age learners on whose behalf Access and Inclusion procure, contract manage and quality assure a diverse range of provisions from an approved network of suitably experienced and qualified providers across the city.
