## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Each contract (lot) is for a period of twelve months, which is required in order to keep the contracts start and end date aligned with the academic year, as this will reduce disruption to the service. This will ensure continuity of a service that improves the health and wellbeing of children and young people who attend state funded schools in RBKC and WCC. If the service ceased at any other time this would interrupt the delivery of the NCMP, a mandated part of the service, the measurements of which take place in the Autumn and Spring terms. The preparation for a competitive procurement exercise has commenced.

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes
