Description

Trydan Gwyrdd Cymru (Trydan) is seeking to procure the following professional services:

Wind monitoring support in the form of

Lot 1 - meteorological mast services

Lot 2 - LiDAR deployment.

The contractor is required to maintain and store the equipment, provide options for

instrumentation and security, and provide associated data services.

Trydan is looking to appoint a Contractor per lot or for both lots. It will be a framework so that Trydan is able to call off the items when required.
