Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Surface Treatments Term Maintenance Contract 2024

Reference number

DN590928

II.1.2) Main CPV code

- 45233000 - Construction, foundation and surface works for highways, roads

II.1.3) Type of contract

Works

II.1.4) Short description

The Client has a statutory duty to deliver core highway maintenance services. This Contract is one of several separate contracts with other suppliers that achieves this objective. The Client also intends that this Contract facilitates a flexible mechanism for the Contractor to identify and implement innovative services, solutions, promote recycling and re-use, and reduce the environmental impact of the services delivered throughout the lifetime of the Contract. The Contract will support the Client's Climate Emergency Strategy and commitment to being carbon neutral by 2030.

In each year of the Service Period, the Contractor will deliver an annual, rolling programme of highway Surface Treatments schemes across the local highway network managed by the Client. This programme forms part of the Client's wider programme of capital funded works to maintain the condition of the highway network and fulfil its duty as the Highway Authority for Somerset.

The form of contract for the service will be the NEC4 Term Service Contract (TSC4) using Main Option A.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £50,000,000

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKK23 - Somerset

II.2.4) Description of the procurement

The Client has a statutory duty to deliver core highway maintenance services. This Contract is one of several separate contracts with other suppliers that achieves this objective. The Client also intends that this Contract facilitates a flexible mechanism for the Contractor to identify and implement innovative services, solutions, promote recycling and re-use, and reduce the environmental impact of the services delivered throughout the lifetime of the Contract. The Contract will support the Client's Climate Emergency Strategy and commitment to being carbon neutral by 2030.

In each year of the Service Period, the Contractor will deliver an annual, rolling programme of highway Surface Treatments schemes across the local highway network managed by the Client. This programme forms part of the Client's wider programme of capital funded works to maintain the condition of the highway network and fulfil its duty as the Highway Authority for Somerset.

The Client's Strategic Objectives are :

- A network that is adapted and resilient to climate change with a reduced carbon output, both in usage and maintenance to contribute to the commitment for Somerset to be carbon neutral by 2030.
- A safe, serviceable, and sustainable network that is fit for purpose for all users under all conditions and supports the development of the local economy.
- A service based on the intelligent Client model that develops and sustains collaborative partnerships that deliver the objectives of all partners.
- A flexible and agile service that attracts and retains the best people and embraces best practice and new technologies to enable innovation.
- Sustain a financially resilient service that adopts robust asset management principles and delivers Best Value with the resources available.
- Optimise service efficiency and maximise income from commercialisation and external

funding.

- A service that maximises social value and provides valuable local opportunities for individuals and businesses.

- An informed community that has high public satisfaction and is engaged and enabled to do more for themselves.
