Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Award of a contract without prior publication of a call for competition is justified under regulation 33(1)(b)(ii) of the Public Contracts (Scotland) Regulations 2015 because

competition is absent for technical reasons.

The Council issued a Prior Information Notice issued via PCS which did not identify alternative economic operators able to evidence the technical capacity to deliver the integrated individual fund management service of the form being procured to meet the service requirement of the Council. The Council's service delivery model, including the individual support fund management service and prepaid account facility, is bespoke and tailored to the needs of its users.

The lack of a reasonable alternative or substitute is reflective of regulator findings that since the Social Care (Self Directed Support) (Scotland) Act 2013[3] was enacted, Self Directed Support (SDS) has been implemented inconsistently across the country; and that Aberdeenshire Council has implemented a 'bespoke approach to delivering Option 2', with a uniqueness of supply that is recognised independently to be a 'well designed system working well and the model most in the spirit of the Act' .

This notice of intent to award is made with reference to Chapter 3 Particular Procurement Regimes, Section 7 Social and Other Specific Services. This procurement responds primarily to the Social Care (Self-directed Support) (Scotland) Act 2013. It is relevant to the integration agenda and the 'Public Bodies (Joint Working) (Scotland) Act 2014'; and recognises Council responsibilities under Section 12 of the Social Work (Scotland) Act. The Scottish Government guidance on Specific Considerations and Rules for Care and Support Contracts has been followed, and light touch provisions are determined to be applicable. In relation to the award the Council has taken into account the need to ensure quality, continuity, accessibility, affordability, availability and comprehensiveness of the services; the specific needs of different categories of users, including disadvantaged and vulnerable groups; the involvement and empowerment of users' and innovation. (76.9)

The Council intends to award a contract to Cornerstone Community Care and considers that award of a contract without prior publication of a call for competition is justified under regulation 33(1)(b)(ii) of the Public Contracts (Scotland) Regulations 2015 as competition is absent for technical reasons.
