I.5) Main activity

Defence

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Single Source Procurement

II.1.2) Main CPV code

- 35512400 - Unmanned underwater vehicles

II.1.3) Type of contract

Supplies

II.1.4) Short description

The Secretary of State for Defence (the Authority) intends to award a 3 year contract with a value of approx. £3,165,000 to Teledyne for the purchase of an additional two Gavia Autonomous Underwater Vessels (AUVs). In accordance with regulation 4 of The Defence and Security Public Contracts (Amendment) (EU Exit) Regulations 2019 (SI 2019/697) this procurement falls to be regulated under the provisions of the Defence and Security Public Contracts Regulations 2011 as amended (in particular by SI 2019/697 and SI 2020/1450). Prior publication of a contract notice in the Official Journal of the European Union is no longer appropriate.

It is considered that the award of the contract without prior publication of a contract notice in the UK e-notification service (as required by in accordance with the relevant legislation) is lawful in accordance with regulations 16(1)(b)(i) (technical reasons) and 16(1)(a)(ii) (additional supplies) of the DSPCR 2011 because the AUVs to be purchased are required by the Secretary of State for Defence in addition to existing AUVs supplied by Teledyne and to purchase similar autonomous vehicles from another supplier would oblige the Authority to acquire autonomous vehicles having different technical characteristics which would result in incompatibility between the existing AUVs and any other third party autonomous vehicles and would result in disproportionate difficulties in the operation and maintenance of the existing AUVs. Furthermore the Authority does not have sufficient

rights in, or access to, the data in the AUVs to allow a third party to manufacture the AUVs or for a third party to certify compatibility or provide an acceptable safety case to the reasonable satisfaction of the Authority.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £3,165,523

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

1000m Autonomous Underwater Vessels (AUVs), modules and sensors

II.2.5) Award criteria

Criterion: Price 50

Criterion: Technical 50

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The contract has its object services listed in Annex II B

Explanation:

The Secretary of State for Defence (the Authority) intends to award a 3 year contract with a value of approx. £3,165,000 to Teledyne for the purchase of an additional two Gavia Autonomous Underwater Vessels (AUVs). In accordance with regulation 4 of The Defence and Security Public Contracts (Amendment) (EU Exit) Regulations 2019 (SI 2019/697) this procurement falls to be regulated under the provisions of the Defence and Security Public Contracts Regulations 2011 as amended (in particular by SI 2019/697 and SI 2020/1450). Prior publication of a contract notice in the Official Journal of the European Union is no longer appropriate.

It is considered that the award of the contract without prior publication of a contract notice in the UK e-notification service (as required by in accordance with the relevant legislation) is lawful in accordance with regulations 16(1)(b)(i) (technical reasons) and 16(1)(a)(ii) (additional supplies) of the DSPCR 2011 because the AUVs to be purchased are required by the Secretary of State for Defence in addition to existing AUVs supplied by Teledyne and to purchase similar autonomous vehicles from another supplier would oblige the Authority to acquire autonomous vehicles having different technical characteristics which would result in incompatibility between the existing AUVs and any other third party autonomous vehicles and would result in disproportionate difficulties in the operation and maintenance of the existing AUVs. Furthermore the Authority does not have sufficient rights in, or access to, the data in the AUVs to allow a third party to manufacture the AUVs or for a third party to certify compatibility or provide an acceptable safety case to the reasonable satisfaction of the Authority.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract/concession

A contract/lot is awarded: Yes

V.2) Award of contract/concession
