Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Supply of Planned Preventative Maintenance Services to Bright Futures Educational Trust

II.1.2) Main CPV code

- 50700000 - Repair and maintenance services of building installations

II.1.3) Type of contract

Services

II.1.4) Short description

Bright Futures Educational Trust is currently out to tender for the supply of Planned Preventative Maintenance services, initially across 10 of their academies, but with the option to include additional schools as the Trust grows. The services will include planned maintenance, day to day repairs, servicing, and minor works that may be needed. An emergency service is also required which includes having a call out facility during all evenings and weekends and public holiday periods throughout the period of the Contract.

Services will be delivered under a JCT Measured Term Contract 2016 (as amended).

The Contract period shall be for 3 years with the option of 1 x 24 month extension.

The Contract has a maximum estimated total value of £2,285,000. This estimated value takes into account the potential for Trust growth as outlined in the procurement documents.

II.1.5) Estimated total value

Value excluding VAT: £2,285,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 4

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

As stated in the procurement documents

II.2) Description

II.2.1) Title

Lot 1 - Mechanical

Lot No

1

II.2.2) Additional CPV code(s)

- 50712000 - Repair and maintenance services of mechanical building installations

II.2.3) Place of performance

NUTS codes

- UKD3 - Greater Manchester

Main site or place of performance

Greater Manchester

II.2.4) Description of the procurement

Lot 1 covers the supply of Planned Preventative Maintenance services in respect of mechanical assets or installations, initially across 10 academies within the Trust, but with the option to include additional schools as the Trust grows. The services will include planned maintenance, day to day repairs, servicing, and minor works that may be needed. An emergency service is also required which includes having a call out facility during all evenings and weekends and public holiday periods throughout the period of the Contract.

This lot includes, but is not limited to, maintenance to the following groups of assets: heating, ventilation, air conditioning and above ground drainage systems & rainwater goods

Services will be delivered under a JCT Measured Term Contract 2016 (as amended).

The Contract period shall be for 3 years with the option of 1 x 24 month extension.

The Contract has a maximum estimated total value of £905,000. This estimated value has an intentionally wide range in order to take account of the potential for Trust growth and the staggered school contract start dates outlined in the procurement documents

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £905,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

60

This contract is subject to renewal

No

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 5

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

The duration detailed above includes the initial term of 3 years as well as the optional contract extension period of 24 months - meaning a maximum contract length of 5 years.

The Estimated Value indicated above is the Total Maximum Estimated Value over the maximum contract length of 5 years taking into account the potential for Trust growth as outlined in the procurement documents

II.2) Description

II.2.1) Title

Lot 2 - Electrical

Lot No

2

II.2.2) Additional CPV code(s)

VI.4) Procedures for review

VI.4.1) Review body

High Court

Strand

London

WC2A 2LL

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

This authority will incorporate a standstill period at the point information on the award of the contract is communicated to Tenderers. That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into. The Public Contract Regulations 2015 (SI 2015/102) (as amended) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).
