II.2.4) Description of the procurement

The Defence Clothing Team, which forms part of Leidos Supply Ltd. is considering the potential requirement for the supply of Flight Deck Helmets (Cranial Protection) on behalf of the UK MOD, consisting of a single lot.

The requirement should act as / and have a number of key features;

- Cranial Protection System (CPS)
- Fire Retardant Properties
- Compatible with ancillary items such as Night Vision Devices (NVD) and Personal Lighting Systems.
- Range of Sizes.

- Metal components should be minimized, where used, they must be secure so as to not become a loose article and must not radiate heat/cold to the user.
- Use in temp range -20 up to +35 degrees.
- The system should afford sufficient protection from impact injury (EN 397), fall from height (EN 12492).
- The system may be required to be compatible with fit in-service hearing and eye protection.

The framework length should not exceed 4 years and is anticipated to commence Quarter 2, 2025.

The value of this framework is estimated to be between £200,000 - £370,000.

Please note: this PIN is for information only (market research) and is not a pre-qualification exercise.

Team Leidos is exploring new solutions that the market can offer and for this reason intends to hold industry days during week commencing 15th January 2024. If suppliers wish to attend or discuss please ensure to contact the relevant Team Leidos Category Lead Peter Tune, Peter.Tune101@teamleidos.mod.uk. It is anticipated that the Industry Days will be hosted at Emersons Green, Bristol, UK.

In addition, please note that as a framework agreement there is no guarantee of business.

II.3) Estimated date of publication of contract notice

29 November 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

In April 2015 the MOD signed a thirteen year contract with Leidos Europe Ltd to provide the procurement and inventory management of commodity items (as well as the storage and distribution services) historically provided in-house by the Logistic Commodities and Services Operating Centre. Leidos, working with the MOD, will transform the way these services are delivered to ensure requirements continue to be met whilst providing best value for money for the department. The organisations delivering these services is known as Team Leidos. Team Leidos would like to make interested suppliers aware that it intends to invite tenders for its supply and delivery of Flight Deck Helmets and Protective Head Pads.
