The buyer has indicated that it will accept electronic responses to this notice via the Postbox facility. A user guide is available at

https://www.publiccontractsscotland.gov.uk/sitehelp/help_guides.aspx.

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the

closing time to avoid any last minute problems.

Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

Tenderers are required to summarise any proposed community benefits that will be developed and delivered as part of this contract if

successful or, alternatively, potential framework participants confirm that they will engage with NHSS Community Benefit Gateway

(CBG). This gateway, developed through requests from suppliers seeking opportunities to support the delivery of community benefits

within the contracting region, provides information on community benefit opportunities. The CBG is a free and easy to use online service

that connects NHS Scotland suppliers with third sector community organisations within Scotland and will be used for tracking and

reporting and is an approved compliant route to the realisation of community benefits.
