Description

The British Council is seeking a single supplier an experienced partner organisation based in Uzbekistan to co curate and deliver the 7th Creative Central Asia (CCA) meeting in autumn 2025. This will be a single supplier agreement covering the full delivery of one international event, including programme development, stakeholder engagement, logistics management, and post event reporting. Launched in 2017, Creative Central Asia is a British Council initiative designed to foster leadership, exchange, and collaboration in the creative and cultural economy. The programme strengthens UK Central Asia relations by promoting professional engagement in the arts and creative industries. Its main objectives are to raise awareness, share best practices, and highlight successful models from Central Asia and the UK, promote the value and potential of the creative economy among policymakers, businesses, creative entrepreneurs, and universities; and enable collaboration and knowledge sharing between experts and leaders across the UK and Central Asia.
