Part 4D: Quality Assurance Schemes

It is a mandatory requirement that Tendering Organisations with more than 5 employees have in place a Health & Safety Policy which is approved at a senior level within the Organisation and is reviewed regularly. Bidders should confirm that this condition has been met within the response to this question. Where a Bidder does not have a Health & Safety Policy and is required to do so, the Council may exclude the Bidder from the competition.

It is a mandatory requirement of this Framework that the Contractor or any proposed sub-contractor will utilise vehicles used on the service must be of low-floor vehicles, fully accessible specification, in accordance with The Public Service Vehicles Accessibility Regulations 2000 in the operation of any contract procured under this DPS.

It is a mandatory requirement that Tendering Organisations have in place a Business Continuity Policy which is approved at a senior level within the Organisation and is reviewed regularly. Bidders should confirm that this condition has been met within the response to this question. Where a Bidder does not have a satisfactory Business Continuity Policy, the Council may exclude the Bidder from the competition or require amendments to the policy to be made.

It is a mandatory requirement that Tendering Organisations provide records of vehicle prohibitions issued by Vehicle Operator Service Agency (VOSA) or the Police within the last two years. If no prohibitions have been imposed, Tenderers should state this also. Your response should state all prohibitions and if imposed what measures have been taken to ensure that they do not reoccur. This is a Pass/fail section. Tenders will be excluded if the Council is not satisfied that the measures they have in place meet our safety standards.
