Thames Water (TW) are seeking a qualified vendor to provide a Water Treatment Work Digital Twin (WTW DT) solution that will enhance our organization's operational efficiency, streamline processes, and improve overall productivity. The selected vendor will be responsible for delivering a robust platform tailored to our specific needs. This RFP outlines the requirements and expectations for the proposed solution and a framework agreement to provide the solution, for multiple water treatment works. In this context, digital twins will act as virtual representations of key water treatment plants across Thames Water.
