II.1.4) Short description

Newcastle City Council (NCC) has a requirement for a Streamlining Waste Management Solution. We are looking to procure a full system to include sensors, back-office monitoring and reporting and a servicing application that can be used by crews in bin collection vehicles through mobile devices. The provider will be responsible for managing the sensor supply and the operation and maintenance of these.

Newcastle City Council has been using litter bin pulse sensor technology to manage its litterbin collections from 1250 citywide sites for the last 4 years and is looking to continue using technology to deliver service improvements and efficiencies.

II.1.6) Information about lots

This contract is divided into lots: No
