Surrey County Council and East Sussex County Council began operating the Client Transport DPS in January 2015 and issued a voluntary OJEU notice prior to that in November 2014.

In June 2015 West Sussex County Council joins the DPS and will be procuring client transport services through it. The purpose of this updated notice is to inform the market of this change, and of the change to the term of the DPS.

The DPS has been designed to be compliant with new Public Contract Regulations and Public Contract Directives 2015 and as of 24.6.2015 will begin operating under the new regulations. The new regulations impose no limit on the term of a DPS and so it will last for up to 7 years. Any supplier successfully admitted to the DPS before the adoption of the 2015 PCRs has been notified of a transition of the DPS arrangements directly.

The Dynamic Purchasing System consists of three lots:

Lot 1 Transport services requiring vehicles with up to 16 seats.

Lot 2 Specialist Transport Service Requirements for vehicles up to 16 seats (must pass lot 1 to be eligible).

Lot 3 Transport services requiring vehicles with over 16 seats.

The services being procured require that suppliers provide a very high level of care and are able to cater for the needs of vulnerable passengers and able to meet all current and future requirements of the contract, the Councils and all relevant legislation.
