extend their appointment for two consecutive one-year periods (renewed annually) up to a maximum 4 year period, (i.e. 2+1+1). Please

refer to MOI Part B section 7.3 in the procurement documents.

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 8

Objective criteria for choosing the limited number of candidates:

It is anticipated that the 8 Economic Operators that satisfy: the completeness and.

compliance checks; the criteria for the rejection of Economic Operators; the information as to economic and financial standing; and who achieve the highest scores in the technical or professional ability evaluation process may be short-listed and invited to submit tenders.. Where there is a tie for 8th place, then all Economic Operators in 8th place will be invited to tender. For the purposes of this exercise a tie for 8th place is deemed to occur where two or more Economic Operators have identical scores or a score within 2 marks (out of a score of 100) of the 8th place score.. In the event that the Procurement is unavoidably delayed, but not cancelled, the PQQP Submission will be assessed at the time of receipt and the Economic Operators will be notified of the outcome.. The shortlist of Economic Operators for Invitation to Tender will typically remain valid for a period of up to 12 months from the PQQP Receipt Deadline. At the Contracting Authority's discretion the period of validity may be extended.. When the Procurement is re-commenced, the Contracting Authority may seek confirmation that the shortlisted Economic Operators still meet the required minimum standards for the Procurement.

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

This procurement is governed by the Public Contracts Regulations 2015 and. provides for Economic Operators who have suffered, or who risk suffering, loss, or damage, as a consequence of an alleged breach of. the duty owed in accordance with Regulation 91 to start proceedings in the High Court. A standstill period will commence at the point. information on the award of the contract is communicated to tenderers. That notification will provide information on the award decision.. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award. decision before the contract is entered into. Any proceedings relating to any perceived non-compliance with the relevant law must be. started within 30 days, beginning with the date when the Economic Operator first knew, or ought to have known that grounds for starting. the proceedings had arisen. (A court may extend the time limit to 3 months, where the court considers that there is a good reason for. doing so).
