Description

Transport for Wales Rail Limited (the Contracting Authority) is seeking a suitably qualified and experienced supplier to supply, install, provide ongoing maintenance and support of a self-service Ticket Vending Machine (TVM) solution across its rail network of Wales and border stations.

The scope of the requirement includes securing a solution accredited by the Rail Delivery Group (RDG). The solution must be modern, accessible, reliable and user-friendly to ensure successful passenger use. A full and sustainable service approach is required from installation to decommissioning of equipment. The scope will also include the requirement for a Carbon Reduction Plan. The removal and sustainable disposal of the existing TVM estate may also be a requirement. TfW are seeking a supplier with innovative solutions and equipment which may be multi-functional e.g. capable of digital

media advertising to enable TfW to maximise its return on investment. During the term of the agreement, integration with multimodal transport ticketing services may be required.

As part of on-going contract management requirements, the supplier would be required to provide insight into best practice within the rail and wider transport retail ticketing environment, future innovations and to help inform the procurement strategy and appropriate routes to market.

Total value (estimated)

- £9,300,000 excluding VAT
- £11,160,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 17 November 2026 to 16 November 2029
- Possible extension to 16 November 2031
- 5 years

Main procurement category

Goods

- 50317000 - Maintenance and repair of ticket-validation machinery
- 34980000 - Transport tickets

Contract locations

- UK - United Kingdom
-

Engagement

Engagement deadline

21 July 2025

Engagement process description

This notice is issued solely for the purpose of gathering market intelligence and does not constitute a call for competition or a commitment to a formal procurement process at this stage.

Through this early market engagement exercise, Transport for Wales Rail Limited (the Contracting Authority) seeks to:

- 1) Understand the level of market interest in any future procurement opportunity.
- 2) Obtain information on potential new market entrants and progress on Rail Delivery Group (RDG) accreditation.
- 3) Obtain information to help inform the specification e.g. setting of appropriate service level KPI's; understand difference in potential delivery models.
- 4) Understand potential for system integration.
- 5) Understand options around decommissioning and sustainable approaches to management of product lifecycle.

6) Understand any supplier risks, including any associated risks and mitigations when operating in a live rail environment.

7) Contractual challenges Transport for Wales Rail Limited may not have considered.

Suppliers who wish to participate in this exercise are invited to complete a questionnaire, which will support Transport for Wales Rail Limited in gathering market intelligence and shaping any future procurement approach. Please email supplychain@tfw.wales to register your interest in participating. Responses to the questionnaire are required by 5pm on Monday 21st July 2025. Suppliers are encouraged to raise further questions via the email address provided. The Authority reserves the right to engage further with all or a limited number of respondents subject to the questionnaires returned.
