Medway Council is procuring a single Integrated Community Equipment Service (ICES) for the people of Medway. We are looking for a provider that can deliver a cost effective

and innovative service within the allocated budget.

The aim of the service is to develop an innovative response to place-based services alongside the core business to supply, deliver, fit, install, uninstall, adjust, repair, refurbish, collect, decontaminate, recycle, and dispose of loaned equipment requisitioned by authorised prescribers. Some components of the service include, but are not limited to:

Procuring equipment (standard stock and complex equipment) for both adults and paediatric service users as requested by prescribers to the standards and guidance as set by the MHRA and in accordance with all National and Local policies, procedures and guidelines regarding the use supply, collection, reuse and maintenance of community loaned equipment. Use appropriate methods of decontamination in accordance with Community Equipment Code of Practice Scheme.

Providing on and off-site technical advice, working with practitioners, clinicians, and trusted assessors, attending joint visits, and advising clinicians on all aspects of minor adaptations and technicalities around loaned equipment.

Support the patients long term plan by helping people to live independently at home for longer; partnership working with volunteer agencies and bring together different professionals to coordinate care better.

Provide a single point of contact for service users to track equipment standard, special, recycled, complex items and their progress and availability.

Full details are provided within the specification of requirement and the tender documents, which are available from the Kent Business Portal.
