Minimum level(s) of standards possibly required

If bidders intend to use a supply chain to deliver the requirements detailed in the Contract Notice, they should confirm they have (or have access to) the relevant supply chain management and tracking systems to ensure a resilient and sustainable supply chain. This will include confirmation that they have the systems in place to pay subcontractors through the supply chain promptly and effectively, and provide evidence when requested of:

a) their standard payment terms

b) ≥95% of all supply chain invoices being paid on time (in accordance with the terms of contract) in the last financial year.

If the bidder is unable to confirm (b) they must provide an improvement plan, signed by their Director, which improves the payment performance.

Bidders will be required to provide evidence that their organisation has taken steps to build their awareness of the climate change emergency and how they will respond. Accepted evidence includes but is not limited to:

- a completed copy of the Bidder 'relevant contract' Climate Change Plan Template, including planned projects and actions to reduce the bidder's carbon emissions. This does not need to contain calculated carbon emissions.

Bidders will be required to confirm whether they intend to sub-contract and if so, for what proportion of the contract.

If there are named subcontractors/technicians upon which the bidder will rely to meet the selection criteria, these named parties must complete and reattach the SPD Supplier Response Form attached to SPD questions 2C.1.1 (Technicians) and 2D.1.2 (Subcontractors)
