#### **II.1.4) Short description**

Cheshire East Borough Council intends to create a consultants Framework for the

provision of construction related professional services. This Framework is to deliver construction related professional services to all internal departments and any organisation that Cheshire East Borough Council is associated with, to include its wholly owned companies, schools, academies, parish/town councils. The overall objective of the framework is to support the Council to deliver their revenue and capital programmes by;

- Providing professional expertise on construction related projects,
- Providing capacity and skills that allows flexibility where necessary to support existing Council services
- Providing cost certainty
- Standardise and streamline processes with continuous feedback and performance

improvements with regards to external resource

- Realise efficiencies through knowledge sharing and monitoring & management of performance in terms of cost and quality

Estimated Value range: Min 1,930,000 to anticipated max 2,910,000, exceptional max 3,500,000 GBP.

The anticipated minimum/maximum values are the value ranges that are expected to be achieved through the framework. For Public Contract Regulations 2015 (PCR's) threshold

purposes the maximum value noted will be the "Exceptional Maximum". This value has been

included to cover unforeseen works but it is not the expected maximum value.

Suppliers can bid for one or more of the above Lots.

The Council intends to offer the top scoring 3 tenders from each Lot (of the ITT responses) a

position on the framework. The majority of the works will be new build construction, extension, refurbishment and remodelling projects.

Precise information on deadline(s) for review procedures

In accordance with Regulation 86 (Notices of decisions to award a contract), Regulation 87(Standstill Period) and Regulation 91 (Enforcement of duties through the court) of the Public Contract Regulations 2015 (as amended).

Cheshire East Borough Council has incorporated a standstill period at the point information on the award of the contract was communicated to tenderers. That notification has provided full information on the award decision. The standstill period, which was for a minimum of 10 calendar days provided time for unsuccessful tenderers to review and scrutinize the award decision before the contract(s) are entered into.
