London Luton Airport

II.2.4) Description of the procurement

This is a continuation of work awarded by tender for the Supply of trained staff to be deployed within LLA security department to support potential shortfall of resource through peak periods and COVID recovery. This has now exceeded the original cost estimated due to the increased demand caused by staff shortages and falls under the regulations. There will be a new tender in 2023 if the demand continues

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

This is a continuation of a service for temporary security personnel that was tendered below the threshold. The recovery from Covid 19 the demand was much higher than expected as passengers increased beyond expectations and we needed more security staff. It takes many months to train Airport security staff and to change supplier at this point would cause significant disruption and commercial loss.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract/concession

Contract No

L22015-T-TG

Title

Framework for The Supply of Aviation Temporary Security Resource

A contract/lot is awarded: Yes

V.2) Award of contract/concession

V.2.1) Date of conclusion of the contract

16 December 2022

Section VI. Complementary information

VI.3) Additional information

Note this a continuation of a below threshold award that has increased in value unexpectedly due to Covid and exceeded the threshold. There will be a new tender in 2023 if demand continues
