Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The unique modularity of the simulators means one Caddy can be used to power a multitude of surgical specialties . This allows hospitals to expand their simulator capacity by purchasing additional modules without the need for purchase of another Caddy thereby minimizing financial and physical space burdens. Ability to use original instruments from real world suppliers for use in the simulators to provide a realistic working environment for users. A cloud based reporting system used to provide highly detailed reports post sim session to each user.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract/concession

A contract/lot is awarded: Yes
