II.1.1) Title

Passenger Lift Maintenance, Service and Repairs Contract

II.1.2) Main CPV code

- 50750000 - Lift-maintenance services

II.1.3) Type of contract

Services

II.1.4) Short description

The London Borough of Hillingdon (Hillingdon) is currently responsible for the management and maintenance of 54 Housing / General Needs / Sheltered Housing passenger lifts and 44 corporate sites at various locations across the borough.

The objectives of this contract are to appoint one service provider (contractor) to deliver a 24/7, 365 days a year service to carry out the servicing, maintenance and remedial works to maintain London Borough of Hillingdon's assets in a compliant and serviceable condition in accordance with the specification and to any current Regulations and other relevant legislation that may apply as well as industry, manufacturers and safety standards.

The contractor will provide a planned servicing regime and reactive maintenance for repair and replacement as well as to undertake small works projects up to an approved threshold value for the asset types as stipulated.

The Council intends to award a contract for these services for a period of three (3) years with an option to extend for up to a further one (1) year subject to agreement and satisfactory performance.

The proposed contract will be based upon the pricing schedule as shown in the tender pack and includes for the following;

Planned and preventative maintenance

Responsive maintenance

Repairs and component replacements

SAFed supplementary inspections/testing

Other service information as contained within the specification

All rates provided must be inclusive of all management fees, preliminaries, overheads and profits.

The proposed contract will be for a period of three (3) years with an option to extend for a further Two (2) year subject to the requirements of the service and the satisfactory performance of the contractor.
