Page 5 of the Invitation to Tender sets out the logistic strategy.

It has been recognised that this arrangement is not fit for purpose and creates logistical issues for Sellafield's transport department in that the distance from Sellafield is unbounded.

Please refer to document "Notice of Amendment to Invitation to Tender for High Force Compaction Boxes - Logisitic Strategy" in the Atamis document folder for the full details.

The ITT has been updated to reflect the changes, please refer to "CFMT 283 Invitation to Tender FINAL v2" in the Tender Pack in the Atamis Document Folder.

The Terms and Conditions have been updated to reflect the changes. Details of the amendments can be found in the Notice of Amendment document.
