Description

This procurment is undertaken by Scape on behalf of Arc Property Services Partnership Ltd.

The purpose of this Framework Agreement is to support the Client, Arc Property Services Partnership Ltd, in the delivery of construction and maintenance-related works by facilitating the flexible, ad hoc supply of Temporary Agency Workers as and when required.

A single Supplier shall be responsible for providing suitably qualified, experienced, and competent Temporary Agency Workers across a range of roles, which may include, but are not limited to:

- Site Managers

- Project Managers
- Contract Managers
- Labourers

This list is indicative and not exhaustive. The Client reserves the right to request additional temporary job roles within the general scope of property, construction, and project delivery services during the term of the Framework.

The Supplier must have the capacity and capability to respond promptly to requests and supply all required Temporary Agency Workers in accordance with applicable employment legislation and industry standards.

The Framework Agreement will run for a maximum term of five (5) years, structured with break clauses at Year 2, Year 4, and a final year extension (Year 5), subject to performance and mutual agreement.

The estimated total value of the Framework Agreement over its full term is £4,000,000 (four million pounds), excluding VAT.

Temporary Agency Workers may be required to operate at various project sites across the following regions:

- Nottinghamshire
- Derbyshire
- South Yorkshire
- Leicestershire

The lead contracting authority is Arc Property Services Partnership Ltd. The Framework will also be made accessible to Via East Midlands Limited.

The framework will be managed via an NEC4 Framework Agreement and the supplementary documentation (all available during the tender process).

This procurement will be conducted in accordance with the principles of the Procurement Act 2023, including transparency, fairness, non-discrimination, and the delivery of value for money.
