II.1.4) Short description

Orbit is looking to procure an additional product to support the storage and use of additional

asset information required both as a result of legislative changes and to drive operational efficiencies and service improvements.

The product must be able to integrate seamlessly with D365. In the interim the product must

interface with the existing asset management product, ActiveH.

The product must cater for the requirements of both Orbit Homes, for projects, and Orbit Group, for assets in management.

The contract will be awarded to a single supplier for an initial period of 3 years, with the option for two 1-year extensions as required.
