Description

Tai Tarian is seeking to award a Contract for a Technical Manager Consultant.

The consultant's role will be responsible to the Head of Development for technical/mentoring support in the delivery of development projects. The role is to ensure all projects are delivered in the most efficient and economic manner possible and within programme and budget.

The role will act as a technical expert within the project management function but also supports the development of the in-house team that supports these functions.

Please refer to the Invitation to Tender for further information.
