This contract will reward maximising sales and FSM uptake through pro-active management and consistently high levels of food quality and tangible contract support. The Schools and CCL expect the successful Contractor to guarantee their financial proposal within reason and deliver excellent standards. The business manager has requested that in this tender exercise the bidders focus on: A transformational working partnership, delivered via a TUPE compliant bid, with additional recommendations on service equipment, serving points, staffing levels and a bespoke food concept to drive sales and uptake. In short, the School needs to be convinced the bidders are able to deliver their promises, achieve their sales targets, deliver their service enhancements in full and support the School in day-to-day operation. Should the school not be convinced of the proposals they reserve the right to revert to an 'insourced' solution or post 'no award'. Any investment proposals will need to be consistent with ESFA guidelines. Contract turnover is circa £85,000 per annum excl. VAT. The successful bidder will be expected to operate with a strong partnership, integrity and honesty.
