Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

In accordance with Regulation 59(12), as this proposed Framework Agreement is divided into Lots, these Economic and Financial Standing selection criteria apply separately in relation to each individual lot.

Minimum level(s) of standards possibly required

INSURANCE REQUIREMENTS:

It is a requirement of the contracts to be procured under the proposed framework agreement that tenderers hold, or can commit to obtain prior to the commencement of any subsequently awarded contract, the types and levels of insurance indicated below:

ALL LOTS

EMPLOYERS (COMPULSORY) LIABILITY = a minimum indemnity limit of 10 million GBP per occurrence.

PUBLIC/PRODUCTS LIABILITY = a minimum indemnity limit of 5 million GBP per occurrence, and in the aggregate in respect of Products.

MOTOR VEHICLE INSURANCE = a minimum indemnity level of 1 million GBP in respect of third party property damage, without limit to the number of claims; unlimited in respect of personal injury. For full details please see the Procurement Documents.

OTHER ECONOMIC AND FINANCIAL REQUIREMENTS:

A search of the tenderer against Equifax's Protect must not return a 'Warning' or 'Caution' returnable code or any neutral code, unless the tenderer confirms that it can provide any other document which Scotland Excel considers appropriate to prove to Scotland Excel (acting within its permitted discretion under the applicable public procurement rules) that the tenderer does/would not present an unmanageable risk should it be appointed on to the proposed Framework Agreement. Equifax's protect is a fraud indicator/credit risk search and analysis of five areas of threat in relation to a particular company: credit history; disqualification; validation and investigation bureau; connected data; and bureau information. For full details please see the Procurement Documents.

III.1.3) Technical and professional ability

List and brief description of selection criteria

1. Subcontracting
2. Quality Management Procedures
3. Environmental Management Systems or Standards
4. Health and Safety Procedures

For full details please see the Procurement Documents. In accordance with Regulation 59(12), as this proposed Framework Agreement is divided into Lots, these Technical and professional ability selection criteria apply separately in relation to each individual lot.

Minimum level(s) of standards possibly required

SUBCONTRACTING:

Tenderers will be required to confirm whether they intend to subcontract and, if so, for what proportion of the contracts to be called-off under the proposed framework agreement. If you intend to subcontract any share of the contract to third parties on whose capacity you do not rely on to satisfy the selection criteria, you must secure that each subcontractor completes a separate SPD (Scotland) Response for all Parts of the SPD (Scotland) Qualification Envelope, except Part 4 (Selection criteria).

QUALITY MANAGEMENT PROCEDURES:

The tenderer must have the following: The tenderer **MUST HOLD** a UKAS (or equivalent) accredited independent third party certificate of compliance in accordance with BSEN ISO 9001 (or equivalent).

OR

A documented policy regarding quality management. The policy must set out responsibilities for quality management demonstrating that the tenderer has and continues to implement a quality management policy that is authorised by their Chief Executive, or equivalent, and is periodically reviewed at a senior management level. The policy must be relevant to the nature and scale of the work to be undertaken and set out responsibilities for quality management throughout the organisation.

ENVIRONMENTAL MANAGEMENT SYSTEMS OR STANDARDS:

The tenderer must have the following: The tenderer **MUST HOLD** a UKAS (or equivalent) accredited independent third party certificate of compliance with BSEN ISO 14001 (or equivalent) or a valid EMAS (or equivalent) certificate.

OR

A regularly reviewed documented policy regarding environmental management, authorised by the Chief Executive, or equivalent. This policy must include and describe the tenderer's environmental emergency response procedures including the preparedness and response procedures for potential accidents and emergency response situations that give rise to significant environmental impacts (for example hazardous substances spill control).

HEALTH AND SAFETY PROCEDURES:

The tenderer must have the following: The tenderer **MUST HOLD** a UKAS (or equivalent), accredited independent third party certificate of compliance in accordance with ISO 45001 (or equivalent) or have, within the last 12 months, successfully met the assessment requirements of a scheme in registered membership of the Safety Schemes in Procurement (SSIP) forum.

OR

A regularly reviewed and documented policy for Health and Safety (H&S) management, endorsed by the Chief Executive Officer, or equivalent. The policy must be relevant to the nature and scale of the work and set out responsibilities for H&S management at all levels within the organisation. The policy must be relevant to the nature and scale of your operations and set out your company's responsibilities of health and safety management and compliance with legislation

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

For full details of the conditions relevant to the proposed Framework Agreement, and

contracts to be called-off thereunder (to the extent

known or settled at this stage), please see the procurement documents (details of how to access these being set out in section “I.3)

Communication” of this Contract Notice).

It should be noted that, in accordance with Regulations 20 (7) and 20 (8) of the Public Contracts (Scotland) Regulations 2015, Scotland

Excel may, where it is considered necessary, impose conditions for the performance of the contract by a group of economic operators

which are different from those imposed on individual participants (for example Scotland Excel may require the group of economic

operators to be jointly and severally liable for the performance of the contract), and may require groups of economic operators to assume a

specific legal form for the purposes of the award of the contract
