Tender

TfL Infrastructure Improvement Framework

Transport for London

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-035915

Procurement identifier (OCID): ocds-h6vhtk-051590 ([view related notices](#))

Published 27 June 2025, 4:47pm

Scope

Description

This notice is for a multi-discipline infrastructure and construction project framework, which will include both design and works. The framework will utilise early contractor involvement (ECI) and multi-stage contracting approach to enable Transport for London (TfL) to work collaboratively with the supply chain.

TfL's pipeline of enhancement projects that are anticipated to be awarded through this framework includes: Elephant & Castle Station Capacity Upgrade (approximately £60m), South Kensington Station Capacity (approximately £80m) and Step Free Access projects (£5-£15m, totalling approximately £200m). It is estimated that the total value of projects on the framework will be between £500m - £700m. All projects will be subject to relevant funding approvals.

Commercial tool

Establishes a framework

Total value (estimated)

- £700,000,000 excluding VAT
- £840,000,000 including VAT

Above the relevant threshold
