NHS Bristol, North Somerset and South Gloucestershire (BNSSG) Integrated Care Board (ICB) is intending to undertake a procurement to commission Primary Medical Services for the population of patients registered with Graham Road Surgery and Horizon Health Centre in Weston-super-Mare to replace existing APMS contracts expiring in the Summer of 2026.

The planned Invitation to Tender (ITT) will be for the delivery of services across the two sites, under one APMS contract, with a contract term of 15 years, in line with specified requirements.

TUPE will apply to the intended ITT process.

Interested parties should register their interest and complete their market engagement question responses by mid-day (12:00) 10th July 2025.

The planned ITT will be for the delivery of services across the two sites, under one APMS contract, with a contract term of 15 years, in line with specified requirements, and a start date of 01/06/2026.

1. Main site: Graham Road Surgery, 22 Graham Road, Weston-super-Mare, BS23 1YA
2. Branch site: Horizon Health Centre, Healthy Living Centre, Weston-super-Mare, BS23 3SJ

The practices are situated in extremely deprived areas of Weston-super-Mare. The aims of the service will be to:

- Deliver an operating model that responds to the specific population needs
- reduce health inequalities within the population

- Provide a robust workforce and leadership model which meets the needs of the population
- Provide value for money
- Deliver universal Primary Care Services to the registered patients of the two sites
- Provide continuity of care for the 15,420 registered patients (Graham Road Surgery - 9,741, and Horizon Health Centre - 5,679)
- Provide a Modern General Practice Model of Care
- Work in an integrated way with other primary care services, Primary Care Networks, mental health and community services and all acute care services
- Collaborate and engage with third sector organisations, the relevant Locality Partnership Board and other professional groups supporting residents, to increase uptake of health interventions to improve health outcomes for registered patients
