TfL have recently switched to a new sourcing system, SAP Ariba, meaning that TfL's processes are now different to those that suppliers may be familiar with.

The following instructions explain this new system and provide guidance on how interested parties will be able to communicate with TfL and access the questionnaire through the new system.

To register or to check if you are already registered to SAP Ariba, log on to <https://service.ariba.com/Supplier.aw>. Interested parties must read the instructions carefully before proceeding with registration. For help on using the SAP Ariba system, please refer to [https://support.ariba.com/Adapt/Ariba\\_Network\\_Supplier\\_Training](https://support.ariba.com/Adapt/Ariba_Network_Supplier_Training). If the problem persists please contact [Ariba\\_Supplier\\_Enablement@tfl.gov.uk](mailto:Ariba_Supplier_Enablement@tfl.gov.uk)

Upon completion of registration, interested parties must inform the TfL lead via email ([DeepaHalai@TfL.gov.uk](mailto:DeepaHalai@TfL.gov.uk)), in order that they can be invited to the event in Ariba. They will then have unrestricted and full access to all available documents, free of charge through their dashboard when they login to Ariba at <https://service.ariba.com/Supplier.aw>.
