VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Tourism NI require a modification of the Contract value to deliver the required additional development, required technical fixes or amends for the key consumer facing discovernorthernireland.com. The value of the contract has been uplifted to £2,754,090.00

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

Tourism NI procured a contract to deliver a Platform-as-a-service (PaaS) eTourism solution to support its tourism development. Tourism NI require a modification of the Contract value to deliver required additional development, required technical fixes or amends for the consumer facing discovernorthernireland.com. The modification value is £918,030

The supplier has built this website to allow for collaborative integration with local councils therefore there are technical reasons that the current Supplier would be the only supplier that could complete this work.

In accordance with Regulation 72(1) (b) Additional works, services or supplies “have become necessary” and were not included in the initial procurement and a change of supplier would not be practicable (for economic, technical or interoperability reasons) and would involve substantial inconvenience/duplication of costs - provided the change does not exceed 50% of the value of the original contract

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £1,836,060

Total contract value after the modifications

Value excluding VAT: £2,754,090
