Environment

## **Section II: Object**

## II.1) Scope of the procurement

#### II.1.1) Title

Blidworth Borehole

#### II.1.2) Main CPV code

• 76300000 - Drilling services

#### II.1.3) Type of contract

Services

#### II.1.4) Short description

The Coal Authority invites you to tender for the drilling of a mine water monitoring borehole to assess rising mine water on the surrounding environment at Blidworth.

A review of the mine water block by the Coal Authority in 2020 highlighted the potential for elevated mine water levels at Blidworth. Elevated mine water levels could pose a risk to the drinking water aguifers that overlie the mine workings.

Therefore, the Coal Authority intend to construct a borehole to intersect flooded underground workings at Blidworth Colliery. The borehole is to allow monitoring of mine water levels that are thought to be representative of the area.

The works required is detailed within the Scope and tenderers are advised to read and consider all aspects of the tender documents before preparing your tender submission.

These documents can be found on our procurement portal InBye and all queries and submissions must be made through this portal.

Guidance on how to access the tender is given within this notice

#### II.1.6) Information about lots

This contract is divided into lots: No.

#### II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £664,730.48

## II.2) Description

#### II.2.3) Place of performance

NUTS codes

• UKF - East Midlands (England)

#### II.2.4) Description of the procurement

The Coal Authority invites you to tender for the drilling of a mine water monitoring borehole to assess rising mine water on the surrounding environment at Blidworth.
