agent to oversee the delivery all domestic energy efficiency initiatives under the CHiL

brand

who can clearly demonstrate the ability to meet our requirements and who offers the most

economically advantageous tender. These documents reference Blackpool Council as

they are the Procurement lead, each Local Authority will have their own separate contract

with

the successful bidder.

Fylde Council do not wish to participate in this opportunity and have therefore been

removed form any documents.

It is anticipated that the contract term will be from 1st April 2023 to 31st March 2025 with

the option to extend incrementally for a period of 1 + 1 years (subject to contract review

and

budget availability).

Cosy Homes in Lancashire (CHiL) is a brand established by 12 district and two unitary

councils in Lancashire as well as the County Council under which domestic energy

efficiency

schemes are delivered pan-Lancashire. Historically there is a strong track record of the

Authorities working together in the energy field and CHiL has developed through this

collaborative working arrangement. Other Lancashire Authorities may in the future may

join

the LHEOG and it is an expectation that the successful provider will be able to

accommodate

their requirements.
