This is the strategic architectural portfolio platform for Digital Services. This platform will enable us to continue to grow our architectural portfolio into software tool moving forwards.

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

Last year we tested the market, and no other product had the functionality we wanted other than LEAN IX. We have invested over 12 months of architectural time developing the platform and will continue to grow our architectural portfolio into the tool moving forwards.

This is the strategic architectural portfolio platform for Digital Services and will be for the foreseeable future due to time invested into the product and skills obtained.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
