VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The contract has been modified to allow Department for Infrastructure, Driver and Vehicle Agency to increase the overall contract value to allow for additional spend.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

In accordance with Regulation 72(1)(c) as the need for the change could not have been foreseen by a “diligent” Department provided the changes do not affect the overall nature of the contract or exceed 50% of the value of the original contract value.

This is on the basis that DVA could not have foreseen or be able to accurately forecast the continuing impact of the pandemic to testing services and the level of additional out of hours support which would be required to manage the backlog.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £345,394.11

Total contract value after the modifications

Value excluding VAT: £1,036,182.33
