II.2.4) Description of the procurement

Corserv on behalf of Cormac Solutions Ltd and the Corserv Group of Companies are seeking to establish a Traffic Management Services Framework Agreement to complement CORMAC Solutions' existing labour resource to meet fluctuating workloads and specialist projects throughout Cornwall & Devon.

The Framework Agreement period will be for 4 years (2+1+1) with an anticipated expenditure of £10m over this period, although no actual expenditure is guaranteed by the Corserv Group of companies.

Traffic Management Services, includes (but is not limited to) associated traffic management services, including high speed (Chapter 8), A roads, B roads and minor roads. It is intended that the majority of services packages will be called-off from a Schedule of Rates with individual values from £200 to £5,000.

Mini competition exercises may be used by CORMAC Solutions to reopen competition between the appointed contractors, where it is deemed beneficial. Contractors intending to participate in this procurement opportunity will need to be operating a Quality Management System incorporating National Highways Sector Schemes 12A, 12B and 12D.

The tender submissions will be evaluated against the following criteria: 15% Social Value, 20% Quality and 65% Price.
