Section VI. Complementary information

VI.3) Additional information

Please refer to the Statement of Requirement for further details together with the SPD (Scotland) Questionnaire. This Framework is a

procurement method for publicly funded Health and Social Care Projects. Under this procurement all economic operators will be required to support the Authority's economic and social regeneration activities. The CDM / Construction and Property Health and Safety Advisor Framework is intended to provide accessible independent consultancy support to NHSScotland organisations on a call-off basis.

The Estimated Contract Notice Value is an approximate amount for the framework and is not a guaranteed value which will be achieved

through this framework.

Legal form to be taken by the grouping of suppliers, contractors or service providers to whom the contract is to be awarded:

Contracts will be entered into with the economic operator only. Whilst a “partnership” or consortium model may, in practice, be adopted by

the economic operator from a contractual perspective the economic operator will be required to assume the role of a “prime contractor” in respect of any subcontractors and will be required to assume liability and responsibility for the acts and omissions of any subcontractors utilised by them to deliver services under the framework.

A sub-contract clause has been included in this contract. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2363>

Community benefits are included in this requirement. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

As indicated in the Statement of Requirement

The buyer is using PCS-Tender to conduct this PQQ exercise. The Project code is 21414.
