**I.4) Type of the contracting authority**

Regional or local authority

**I.5) Main activity**

General public services

---

**Section II: Object**

**II.1) Scope of the procurement**

**II.1.1) Title**

Tylorstown Landslip Remediation Phase 4

Reference number

RCT/CE/S357/22

**II.1.2) Main CPV code**

- 45112000 - Excavating and earthmoving work

**II.1.3) Type of contract**

Works

**II.1.4) Short description**

On Sunday 16th February 2020, Storm Dennis caused the Llanwonno Upper Tip to fail above the village of Tylorstown. Approximately 60,000m<sup>3</sup> of material slipped down the

valley, filling the valley bottom and diverting the course of the Afon Rhondda Fach.

Emergency works (referred to as Phases 1, 2 and 3 of the Tylorstown Landslip scheme) have been undertaken to remove the slipped material from the river and valley bottom.

Rhondda Cynon Taf County Borough Council is now proposing essential stabilisation and remediation works to ensure the colliery material within the Llanwonno Upper Tip is made safe, preventing future landslips such as the one that occurred in February 2020 and demonstrating that the relocated and remaining in-situ material can be regenerated for a beneficial end-use. To achieve this, the majority of the colliery material at Llanwonno Upper Tip will be excavated and transported along a haul road to a new location, referred to as the 'Receptor Site', next to Old Smokey.

#### **II.1.6) Information about lots**

This contract is divided into lots: No

#### **II.1.7) Total value of the procurement (excluding VAT)**

Value excluding VAT: £5,300,000

### **II.2) Description**

#### **II.2.2) Additional CPV code(s)**

- 45112000 - Excavating and earthmoving work

#### **II.2.3) Place of performance**

NUTS codes

- UKL15 - Central Valleys

Main site or place of performance

Rhondda Fach. Tylorstown.

#### **II.2.4) Description of the procurement**

The proposed scheme will involve moving colliery material from the Llanwonno Upper Tip (donor site) to a new receptor site adjacent to Tylorstown Tip, otherwise known as Old Smokey tip. It will also provide for stabilisation and remediation works to the Llanwonno Upper Tip site and remaining material.

The overall site area totals circa 31 Ha and the main elements of the application contained within it are as follows:

Removal of material remaining within Llanwonno Upper Tip on the top of the hillside, amended drainage arrangements and landscaping of the area following the removal to stabilise the tip;

Reprofiling of the upper tip is to be undertaken utilising the in-situ landscape material (i.e. smoothing out the current landslip "bowl" to the proposed levels, with no interim storage of material needed), plus associated drainage and landscaping works;

Transportation of the material to be deposited on the nearby receptor site;

Profiling, drainage and landscaping of the receptor site.

#### **II.2.5) Award criteria**

Quality criterion - Name: Quality Questions / Weighting: 30

Price - Weighting: 70

#### **II.2.11) Information about options**

Options: No

#### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Open procedure

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes

### **IV.2) Administrative information**

#### **IV.2.1) Previous publication concerning this procedure**

Notice number: [2022/S 022-116116](#)

---

## **Section V. Award of contract**

### **Contract No**

RCT/CE/S357/22

A contract/lot is awarded: Yes

### **V.2) Award of contract**

#### **V.2.1) Date of conclusion of the contract**

18 October 2022

#### **V.2.2) Information about tenders**

Number of tenders received: 4

Number of tenders received from SMEs: 1

Number of tenders received from tenderers from other EU Member States: 4

Number of tenders received from tenderers from non-EU Member States: 0

Number of tenders received by electronic means: 4

The contract has been awarded to a group of economic operators: No

**V.2.3) Name and address of the contractor**

TOM PRICHARD HOLDINGS LTD

TOM PRICHARD HOLDINGS LTD, Earthmovers House Unit 16 Llantrisant Business Park

PONTYCLUN

CF728LF

Country

United Kingdom

NUTS code

- UKL - Wales

The contractor is an SME

Yes

**V.2.4) Information on value of contract/lot (excluding VAT)**

Total value of the contract/lot: £5,300,000

**V.2.5) Information about subcontracting**

The contract is likely to be subcontracted

Value or proportion likely to be subcontracted to third parties

Proportion: 10 %

Short description of the part of the contract to be subcontracted

Estimated value

## **Section VI. Complementary information**

### **VI.3) Additional information**

NEC 4 - OPTION A will be used for this project.
