1. The National Wealth Fund is providing potential suppliers the opportunity to provide input and feedback via a Request for Information (RFI). Questionnaires should be returned by the 30th of November 2024 in order that we can consider comments in advance of any formal procurement processes.

Relevant documents can be accessed via the live opportunities list on UKIB's Atamis eSourcing Portal in accordance with the instructions below and completed questionnaires must be submitted via the eSourcing Portal.

2 NWF is currently assessing Crown Commercial Services Learning and Training Dynamic Purchasing System (DPS) as a potential route to market - <https://www.crowncommercial.gov.uk/agreements/RM6219>. We would like to draw this to the attention of potential suppliers so that they can register on the DPS. It should be noted that applications to join the DPS can take up to 15 days to assess.

3. Interested organisations should note that the detailed requirements, procurement strategy and timetable have not been finalised at this stage. NWF will collate and analyse the responses received. Responses may be used to develop and scope the procurement strategy and process. NWF will make a final decision on the procurement strategy, timetable, and content of the procurement documentation, having considered feedback. NWF reserves the right to divide the scope into lots / service areas for bidding purposes and/or carve out some elements of the service scope and procure these separately.
