VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Since before Covid-19 and the collapse of the Northern Irish government, the Council has been awaiting confirmation of funding to transition from co-mingled dry recycling to kerbside sort dry recycling in the legacy Antrim Borough Council area. The delay of the funding due to Covid-19 and the collapse of the Northern Irish Government could not have been foreseen and funding has only recently been confirmed. The co-mingled dry recycling service will be discontinued and replaced with a kerbside collection service. The tender for the new kerbside collection service is due for publication imminently. Therefore, the Council is extending the contract for the co-mingled dry recycling collection for a period of up to 10 months to ensure operational continuity and allow for the transition of the services. The value of the modification is below 50% and does not change the overall nature of the contract.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Since before Covid-19 and the collapse of the Northern Irish government, the Council has been awaiting confirmation of funding to transition from co-mingled dry recycling to kerbside sort dry recycling in the legacy Antrim Borough Council area. The delay of the funding due to Covid-19 and the collapse of the Northern Irish Government could not have been foreseen and funding has only recently been confirmed. The co-mingled dry recycling service will be discontinued and replaced with a kerbside collection service. The tender for the new kerbside collection service is due for publication imminently. Therefore, the Council is extending the contract for the co-mingled dry recycling collection for a period of up to 10 months to ensure operational continuity and allow for the transition of the services.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £1,503,000

Total contract value after the modifications

Value excluding VAT: £2,242,905
