Recreation, culture and religion

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

British Museum Energy Centre Programme Delivery Manager

Reference number

BM.23.095

II.1.2) Main CPV code

- 71500000 - Construction-related services

II.1.3) Type of contract

Services

II.1.4) Short description

The British Museum is seeking to source a Delivery Manager to support a major programme of work at its Bloomsbury estate in Holborn. The Energy Centre Programme (ECP) is a major infrastructure programme that is designed to improve energy supply and generation, rationalise primary services distribution, and provide improved resilience in the building services infrastructure that serves the whole site. The programme is also a key enabler which will support ongoing asset and infrastructure renewal and the emerging aspirations of the British Museum's masterplan.

The Delivery Manager role will be pivotal to the delivery of this multi-million pound programme. In conjunction with the British Museum's Estates and Capital Projects department and current ECP professional team the Delivery Manager will lead the management and coordination of the delivery of the ECP which will be procured via at least six main contract packages.

II.1.5) Estimated total value

Value excluding VAT: £4,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 71520000 - Construction supervision services
- 71540000 - Construction management services
- 71541000 - Construction project management services

II.2.3) Place of performance

NUTS codes

- UKI - London

Main site or place of performance

LONDON

II.2.4) Description of the procurement

The Delivery Manager will be considered an extension of the British Museum's existing Energy Centre Programme (ECP) Consultant Team whom they will be required to collaborate closely with. In their role they will manage and co-ordinate the works of the ECP's Contractors and will be required to discharge duties in relation the following services:

Health and Safety;

Site-wide management and logistics;

MEP Management;

Programme Management;

Contract Administration;

Internal and external communications;

Information Management; and

Design Development Support.

Key Service deliverables can be summarised as follows:

Project Delivery and Execution Plan;

Document Management Plan;
Interface Management Plan;
BIM Risk Assessment;
BIM Execution Plan;
Health and Safety Management Plan; and
Logistics Management Plan.

For the full scope of services please refer to Appendix B of the document pack.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

55

This contract is subject to renewal

No

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged minimum number: 5

Objective criteria for choosing the limited number of candidates:

Criteria for determining the number of candidates are set out in the tender documents

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No
